

What is the best thing about your neighbourhood?

10

Although I do not have any pets of my own, I get a taste of what it's like whenever I visit my neighbourhood's pet

park, where many people bring cute, small pets, especially in the evenings.

Sometimes, I carry snacks and toys for the animals. Once, I threw a toy bone, and a sweet puppy picked it up and brought it back to me. Coming here is a relaxing and fun way to end my day.
